

Scavenger Hunt 15 at Defcon 20

The List

Siviakistan Group
July 27-29, 2012

Rule #1: Judges are always right. Our decisions are final. Your opinion doesn't matter. See: N.O.P.

Rule #2: This list supersedes all other lists. No arguing. All other lists from any other years do not belong in your argument.

Rule #3: All items are worth the corresponding value listed. Bonus points awarded for extreme style. Judges decide if it was stylish. If you whine for bonus points you risk losing an equal amount of points.

Rule #4: Team maximum is 5 members and they must be present at registration. Substitutions only with Judge's authorization.

Rule #5: We reserve the right to keep the things you turn in.

Rule #6: Defcon Scavenger Hunt is not responsible for death, dismemberment, arrest, fire or eternal damnation.

It couldn't be easier! Find, complete, hack, record and prove, as many items on this list as possible. Team with most points at close of contest on Sunday WINS! Second and Third place will receive consolation prizes and furious mocking.

GOOD LUCK!
